F-3 Trijicon MRO 2.0 Adjustable Red Dot Scope

Value: \$579
Accomm: N/A
Special Notes: MRO-C-220003. The Trijicon Miniature Rifle Optic (MRO®) is a reflex-style, sealed sight intended for use on rifles, carbines, and shotguns to provide fast target acquisition. It is designed to be used with both eyes open, providing the operator with maximum situational awareness. The large aperture and tapered light path maximizes the viewing area in such a small optic, allowing for fast target engagement – especially from non-standard shooting positions. Advanced lens coatings and electronics produce a crisp red dot. The brightness control dial on the MRO is specifically designed for ambidextrous usage. With a mid-adjustment “off” position and eight discernible brightness settings, this brightness dial allows for quick and ergonomic adjustments. The MRO features fully protected adjusters that maintain zero even during rough handling, and can be adjusted without the need for special tools. Hard-anodized, forged 7075-T6 housing is fully sealed and waterproof, providing durability in demanding conditions.

F-7 \$500 Taxidermy Gift Card

Value: \$500

Special Notes: Taxidermy by Dourlain is a taxidermist in Michigan that not only preserves your trophies; we bring them to life in a natural setting. We don't just preserve and mount specimens; we set them up in a way that'll make sure you are able to relive the thrill of the hunt every time you see it. As a hunter, you want your trophies to tell a story. When you point at the mounted specimen in your living room, you want it to tell the great story of your conquest. Our Michigan taxidermists capture the very essence of the wild, preserving that thrilling moment when you finally bagged that hunt. Whether you're mounting a bear, deer, or a more exotic animal, you can trust us to do more than just preserve the specimen. We turn simple mounted specimens into a snapshot of the wild, showcasing the untamed and making every memory of the hunt fresh. You can count on Taxidermy by Dourlain for professional taxidermy in Michigan.

MUST-READ NOTES ON OUR HUNTS, TRIPS & DONATIONS

1. Unless otherwise noted, all values are listed as U.S. funds. All stated values, as listed in this program are set by the donors.
2. **All auction items MUST be paid for and picked up by the end of the auction.** Cash, check, Visa, MasterCard and Discover are accepted.
3. Individual donations include or specify different things, such as number of people included; time period the donation must be taken; inclusion of meals, lodging, fees, and/or transportation; type of equipment that may be used; etc. As a general rule, licenses and transportation to the location of donated service are not included unless otherwise specified. The donation/trip must be taken under the circumstances as listed in the Auction List and Auction Receipt. **These are the conditions of the contract you are purchasing. Please read the descriptions and limitations carefully!** If changes to the written description are desired by the Purchaser, that will have to be worked out with the Donor on his or her terms. (Example: If purchaser desires to take trip in alternate year after the purchase is made, donor may require purchaser to bring a full paying customer or charge an additional fee.)
4. With regard to Canadian trips/hunts, unless otherwise stated, there will be a six-percent G.S.T. tax payable prior to taking the trip/hunt. If you will be bringing a firearm across the border, you are responsible for any registration fees, as well as the registration paperwork, which your outfitter may be able to assist you with.
5. We try our best to solicit donations only from competent donors. However, **WE DO NOT GUARANTEE THE QUALITY OR THE SUCCESS OF ANY AUCTION ITEMS PURCHASED AT THIS AUCTION.** *Note: It is often very important that you contact your donor as soon as possible to book your trip/hunt dates before all dates are filled.*
6. Please report the results of your donated trip on the Report Form included in your buyer's packet. Your input helps us to ensure that high quality donations will be available to our bidders in future years. We would also like to encourage all buyers to submit photos and/or a short report (from a few words to a complete story) for publication in the chapter newsletter, **BROADHEADlines**. These reports really help support our donors. Please submit your Report Forms or newsletter material to:

SCI- SE Michigan Bowhunters Chapter, P.O. Box 1646, Clarkston, MI 48347
or e-mail to **BROADHEADlines** at newsletter@SCIbowhunters.com .
