President's Report

Happy New Year Everyone. I hope your hunting season went well and you got a chance to get that big buck that dreams are made of and that everyone was safe. I hope you had a chance to take someone out hunting for the first time so, they can start making memories that we all look back on with that little smile. I hope you had a great Christmas and a Happy New Year.

We have to get serious about the attacks that the antihunters are constantly giving us. We need to show how proud we are to be hunters as we truly are the leaders when it comes to conservation.

How many animals would be extinct if it wasn't for us supporting the many conservation organizations all around the world?

The American Bison would be gone if it wasn't for hunters that brought them back and now we have hundreds of thousands across the United States. And the list goes on and on. I am proud to be a hunter that can feed his family meat without hormones and antibiotics, to get the youth of today out of the house and into the fresh air and enjoy the great outdoors while teaching them to be responsible young people. I am proud to belong to Safari Club International who lead efforts in protecting our Right To Hunt World Wide.

I am excited to start the year off with our Fundraiser which is our 29th at Laurel Manor in Livonia. We will have a great line up of hunts and fishing trips on live auction with some of the best outfitters and captains there are with great prices. Gun boards, Raffles, and great food.

With a room full of generous people, as we stand together to protect Our Right To Hunt. This fundraiser is our number one money raiser we have to fund the great programs we run every year that we spotlight in our newsletter, website and fundraiser Program.

Please go to scibowhunter.org to see flyer. Hope to see you there March 20-21, 2020

2019 TURKEY SEASON

THE THIRD "TOMS" A CHARM AND NEVER GIVE UP TURKEY STORIES!

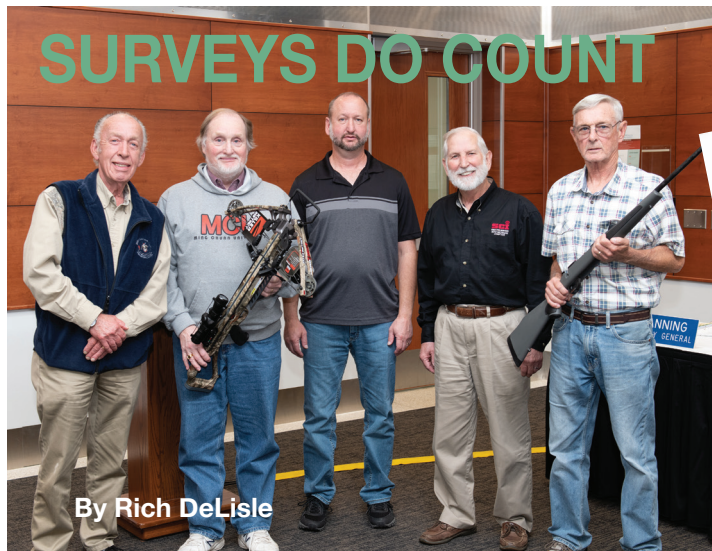

As everyone who ventured in the field this spring knows it was a crazy weather year with very cold temperatures and non-stop rain. My daughter and I managed to fill our tags with some humbling and old fashioned perseverance that I would like to share with you all. I had the first season and had to work around the weather and work schedules to get out when possible, the first morning I had action and a nice Tom checking out decoys but nothing close enough as the rain ended the day. The second time out I had a nice Tom at 20 yards looking right at me when I released my arrow at center of head I was surprised to see him still looking at me. I grabbed another arrow as he walked off with hens to cover and out of range. When I walked up to collect my arrow and ponder what happened there was a single clean cut tail feather lying on the ground as a humbling souvenir. On the last day of

season and only the third time out due to conditions I had to head out before work. The weather was perfect and the gobbling started before light and became insane as they came off the roost. I had action and responses right from the start and connected on the biggest Tom I had seen in

SURVEYS DO COUNT

By Rich DeLisle

From left to right: Rich DeLisle, Ervin Sparapani from Iron Mountain, DNR-Dwayne Etter, Bob Taylor-Ronald Helmbodt-Manistee, Mi.

For many years now the D.N.R. sends out surveys to all hunters who have applied for a deer license, to get a true picture of the shape of our deer herds. It is best to get information from those that are covering more acres than all of the D.N.R. officers. With this information, that they receive from our vast amount of hunters, the D.N.R. biologists come up with proposals to take to the N.R.C. board to set regulations for the future of deer hunting, so we can all enjoy deer hunting for many years to come.

To show our appreciation the D.N.R. gives us on the M.I.C. board 2 names from the survey that we donate a crossbow and a rifle to. Our chapter has donated a bow for many years.

For the last 10 years Bob Taylor President of M.I.C. (Michigan Involvement committee) and I have presented these bows and guns at a N.R.C. meeting where we are thanked for our help for making people get rewarded for sending in these vital surveys. This years recipients are Ervin Sparapani from Iron Mountain, Mi. (Bow) and Ronald Helmbodt from Manistee, Mi. (rifle).

So the next time you get a survey from the D.N.R. about deer hunting you may want to fill out the form to get a chance on receiving a new crossbow or rifle, and help the future of deer hunting in our state for generations to come.

Hi Ralph,

I wanted to send a formal "Thank You" to you for your generous support of archery in Michigan and of me. The AWH trip was an out of this world experience for me. I can't thank you enough for the opportunity you gave me.

Sincerely,
Dr. Kathy Garland

2019 TURKEY SEASON

the area and at work by 8:00 am.

So we start the season for Briana we meet the first Saturday of the second season in early May with the temperature in the low 30's. We looked like we are sitting in an ice fishing shanty instead of a turkey blind. We did this several times with some activity but mostly rain, wind and cold. Then again we decided to meet on the last day and get out before work and again great weather. Action right away and right off the roost we hear two Toms coming in following hens. Briana got ready and with some luck on our side they came in and offered her a shot a little over 20 yards away which was all she needed. So with several weeks of putting in the time we were blessed with some great memories and birds.

THE SINCERITY OF LEGENDS RANCH

This years youth hunt at Legends Ranch was truly special. Not because of it being a great time as it always is with 5 youngsters, two of which were from right here in Michigan. Daniel Bosch 15 years old from Plainwell who was born with rare Lysosomal Storage Disorder and Carter Starr age 16 from Dryden who was born with Cerebral Palsy. It was extra special because of the tribute to a youngster named Tyler Worth who passed away a month before the your hunt.

Tyler who was only 14 when on September of 2018 was diagnosed with brain and spinal cord cancer. Up until September Tyler was an avid outdoorsman who loved to hunt and fish, play baseball and football. That all ended when he came down with a sore back. Tyler was able to go on our chapters annual wish fishing trip with Captain Myron Gilbert (M&M Charters 517-592-3376 and Captain John Giszczak (Stray Cat Charters 734-787-0300 Fishstraycat.com) but, he was wheelchair bound. He did have a great time as did Daniel unfortunately Carter could not make the trip as we had to move it a day later than was scheduled because of storms.

In July Tyler's Dad called Robert Sergi at Legends Ranch to tell him that Tyler would not be able to be at youth hunt as his condition was getting worse with more complications. Robert asked if he could bring him up for the day and they would make it extra special for him. Mike, Tyler's Dad explained that Tyler was in to much pain and thanked him for his prayers.

All the youngsters at youth hunt had a great time and harvested some beautiful deer. Carter had a low hit and it was raining so they at first couldn't find it but after the ceremony and everyone had left the deer Carter had shot was found 50 feet from where the ceremony was held, it was like a miracle.

The great folks at Legends Ranch made a memorial up for Tyler and kept a candle burning through out the whole hunt, and at the ceremony where they honor all the youth hunters which always brings a tear to my eyes. They even said a prayer for Tyler.

My respect for Legends grew even more as they showed their sincerity for all our special youngsters even the ones who couldn't be there in person but were there in spirit. The following week, Legends Ranch Honored 8 of our Purple Heart Veterans with a Deer hunt where they harvested some awesome Bucks in the 180 class and showed them the love and respect they truly deserve.

Thank you to our great members who support our chapter, and Legends Ranch so, we can continue to show The Forgotten Ones Our Great Veterans and Our Special Needs Children that we truly care.

May God Bless you all.
