Cancellation Notice of our Fund Raiser Mar 20/21, 2020

Due to Governor Whitmer's ban on public events of over 250 people, the 2020 Fundraiser of the Southeast Michigan Bowhunter Chapter of SCI has been canceled. Anyone who has already purchase tickets will be contacted by the fundraiser committee regarding a refund of the ticket price paid.

Although the banquet itself has been canceled, the Live Auction, including a variety of hunts, trips and other merchandise will be held online. Details will be available soon on our Facebook page, the chapter website, Constant Contact and through regular U.S. mailings.
