President's Report

I would like to thank those that stepped up in these crazy times to make our online auction the great success that it was. Our Chapter was looking like we were in great financial trouble because, of all the unknowns concerning the covid-19 Pandemic. All of you took the bull by the horns with a positive attitude and did a great job getting the on-line auction done. I will always be grateful. You truly went beyond the call of duty.

We all know this year has been a challenge. I think (pray) we have finally turned the corner and if things go as predicted this virus should be slowing down. I hope all you and your families are doing well. This year will be a challenge for all of Safari Chapters but, I know with all the good people we have, we will overcome all that we have gone through.

I hope to have a conference call with the board by the end of next week (042420) with a report of how we did on the online auction and a face to face meeting in another month or so. Be safe and be careful, as you are all needed and very important to our chapter.

Sincerely,

Rich DeLisle

RICHARD DELISLE

RECEIVES HIS GOLDEN ARROW LIFETIME ACHIEVEMENT AWARD FOR 2020

Richard DeLisle receives his Golden Arrow lifetime Achievement Award from the Committee Chair Ralph Cagle. The award was to be given at our fundraiser but due to the Corona Virus it will be officially presented at our 2021 fundraiser.

Rich is our current chapter President (for the second time) and has served on our board for over twenty years! He has been the chair of the following committees: Activities, Fundraiser, Sportsmen Against Hunger and Pathfinders! The Pathfinders committee is responsible for handling our Veterans and Youth programs and his love of these two programs are dear to his heart. No one has ever done a better job of chairing this committee!

His Golden Arrow Award says the following:

Richard DeLisle
A True Humanitarian

NOVI CHAPTER YOUTH HUNTER DEVELOPMENT PROGRAM

First Program
Sat Sept. 28, 2019 10AM

It's hard to draw a large crowd the weekend before archery season starts but, the people who did attend were impressed with the information and tips that were presented to them. The program took place at Multi-Lakes Conservation Association. The Novi Chapter, Detroit Chapter and S.E. Michigan Bowhunters Chapters of SCI presented the program which was sponsored by our friends at Trijicon.

The first speaker was Chuck Bazy of the Novi Chapter who also developed the program. Chuck covered almost every phase of using firearms for hunting. With Chuck's vast knowledge it was very difficult for him to contain his program to his two-hour limit. Courses that follow will have to be expanded to allow for all of the information that could be presented. The Q&A that followed his presentation also used up more time. The attendees were very impressed with Chucks knowledge of all firearms that spans over sixty years of hunting the world over. Chuck could have talked two hours on each subject he touched on. This maiden course was a good start to let Chuck know

how long he needs to extend his program.

The next speaker from the S.E. Michigan Bowhunters Chapter was Kevin Mulkeran who is a very accomplished bow hunter. Kevin understanding his time restraint decided to do a quick version of how to make sure your bow is tuned for shooting the broadheads needed to take game with a bow. Kevin invited the attendee's to be up close as he went over the tuning he goes thru when setting up his bow before each season. Naturally, each tuning segment brought questions that he answered as quickly as he could. Again, the students were very patient and appreciated his expertise while working under time limits. The bowhunting segment will also have to be expanded to properly cover the subjects.

All things considered, the Youth Hunter Development Program was a hit with the adults and youngsters who attended. There is just so much information to cover that it will have to be expanded to two separate courses in the future to cover the subjects properly. We can never get enough good info on hunting and these programs can't help but add to everyone's knowledge and understanding of what hunting is all about.

Dear friends,

Thank you so much for your generous donation of various toys and gift items for our annual Christmas Toy Shop and Angel Tree Program! Your assistance is essential in our efforts to provide a joyous Christmas for the many disadvantaged families in our community.

We face a tremendous challenge as the number of people struggling in today's economy is increasing to record heights. Many of our neighbors cannot afford the demands of daily living let alone any Christmas 'extras'. With this serious challenge ahead of us, it makes us all the more appreciative of your willingness to help others by sharing your gift with those less fortunate.

We thank God for special friends like you. Knowing you are there with a giving spirit and strong support encourages us in our mission to give comfort to those who are in such desperate need.

Please accept this letter as your official receipt.

May God bless you!

Sincerely,

Peter & Catherine Mount

CAMP LIBERTY OPEN HOUSE

On September 8, 2019 Camp Liberty held our annual open house. Our S.E. Michigan Bowhunters Chapter was there to support them as we have done for the last 8 years. Camp Liberty is located in Brooklyn, MI, on 137 acres with the Rasin River running on the SE side covering over 3,000 feet of shoreline also a 1.5 acre pond that will be stocked for fishing this spring.

Board members, Ralph Cagle and Jim Wandrie showed people how to shoot bows and crossbows at the archery range. Fellow board member Paul Chapman and his good friend Doug Edwards handled the cooking

and as usual did a great job. I am the current President of Camp Liberty and was running all over as we had over 300 people having a great time. We had over 30 classic cars, kids casting (being taught by Bass Pro Matthew Malmquist). S.C.I. Regional Rep Stoney Bing along with his wife Alma brought the Sensory Safari trailer. The trailer contains about every kind of mounted animal that people could even touch and most of the over 150 did just that. We also had a D.N.R. info booth, tours of Camp Liberty to see the chapel, sweat lodge, our bee hives, Track chair demonstrations, and many

of our service organizations were there to handle any questions the Vets may have had.

Everybody had a great time, ate a lot of great food and many prizes were given out. Anytime you have a lot of people in the outdoors you understand how it can be very therapeutic for our Veterans who attended.

A special thanks to my fellow board members for helping me make this one of the best open houses we have ever had.
