President's Report

LOOKING FORWARD 2022 A YEAR OF PROGRESS

I was elected to the position of Vice President of our Chapter this past July. Richard Delisle's untimely passing has left me with the huge responsibility of being your Chapter President till I complete his term. I am lucky though; I have five Chapter Past Presidents on our board to help guide me through the next year and a half. With their help and a lot of work on my part I think all will go well.

Rich Delisle was in his third term as our Chapter President when a stroke took him from us. Rich was a very respected Chapter President in Safari Club International. He was especially known for his support of our countries Veterans and Youth programs. I will do what I can to continue his work with these programs. We all miss his easy smile and gift to talk on his cell phone!

Our yearly fundraiser is going live again in 2022! We have set the dates as March 18-19, 2022 at The Laurel Manor see our flyer in this newsletter and plan on attending with your family and friends. It's a great night out! Attend our fundraiser and stop me and say hello. I will be pleased to meet you and I know we will all have a great time!

1st Annual Camp Grayling Disabled Veterans' Hunt 11/8-9/21

By Larry Stafford

Due to a large number of deer in Camp Grayling, a decision was made to cull deer from portions of the camp area through a disabled veterans hunt. **Matt Kleitch**, Natural Resources Specialist with the **Michigan Department of Military and Veteran Affairs** was given the responsibility to coordinate the hunt.

Matt assembled a team consisting of **Cullen Haesler**, **James Osga**, **Maryn Burrell** from **DMVA**, **Ryan Boyer**, **Steve Nelson**, and **Steve Sharp** from **NWTF**. It was decided that 10 disabled veterans would be chosen to hunt for 2 days at the camp. The team placed 10 ground blinds within the camp which were supplied by **NWTF**.

On Monday, November 8, nine hunters, mentors (guides) and support staff had a meeting to go over hunting rules, safety and crossbow sight-in. **Colonel Scott Meyers**, **Camp Commander**, welcomed the veterans, stating that he was honored having them at Camp and to have a safe hunt. Matt went over safety

and assigned mentors to each veteran.

I was honored to be picked to guide for **Walter (Bud) Smith**. We were assigned to blind #3. At 3:00pm we started the hunt. As we sat, Bud shared his story. Bud was drafted in 1971 and went to Vietnam as a radio operator. In 1983, he joined the Michigan National Guard. When he was in Afghanistan in 2009 is when he got injured. Bud retired from the guard in 2010. Getting back to hunting, we spotted our first doe, but she never got close. At 4:50pm two bucks were spotted walking toward us. The first buck was ranged at 25 yards and the other one stopped at 46 yards. Bud took a shot at the 8-point at 25 yards and made a perfect broadside shot. The buck ran about 30 yards before going down. We contacted Matt – Buck Down! The recovery team retrieved the buck and after gutting the deer, took it to **Halstead Processing**.

We returned to the meeting building for a great dinner, supplied by **Spikes Keg O Nails**, set up by **Traci Nelson**, and sponsored by **Preston**

Our Chapter in Action

In Memory of...**Richard Delisle** (President)

December 4, 1944 - September 24, 2021

Written by Ralph Cagle

The entire hunting and conservation community lost a great friend on Friday, September 24. Chapter President Richard Delisle, age 76, of Fowlerville Michigan passed unexpectedly after a very short illness. The picture to the right is the buck that Rich took at Legend's Ranch his last hunt and was a fitting trophy for a fine man.

Rich Delisle served for two terms as President of our Chapter and was serving the third term when he passed. He was also a recipient of the Chapter's Golden Arrow Award. Robert Delaurier will step up to finish his term.

Rich was a personal friend to so many of us. As he was known to do, he called me and others almost every day. Rich was the most friendly, common user of Mr. Bell's invention that I have ever known! Most of the calls were related to chapter business and other times just to chat. Rich believed in keeping in touch with friends.

As a long-time board member, Rich took the reins of two of the chapter's least-focused-on projects and turned them into his mission... the Veterans and Youth programs. I have been around the club from the beginning, and no one gave those two programs more of their time and energy than Rich did. He was there for every Veteran's Hunt, Youth Hunt or Fishing Trip since he took over. The irony of it was Rich was never a Veteran, but he gave them a strong voice within the ranks of our sportsman's community and gave them hope and normalcy when they needed it. Rich gave credit to the youth programs for keeping his outlook pointed in a youthful direction. Oh, how he loved those kids!

No one tried harder do his job

the right way. He always consulted other board members for their opinions and ideas. Many were surprised when he actually took their advice. I wasn't. That's just the way Rich rolled.

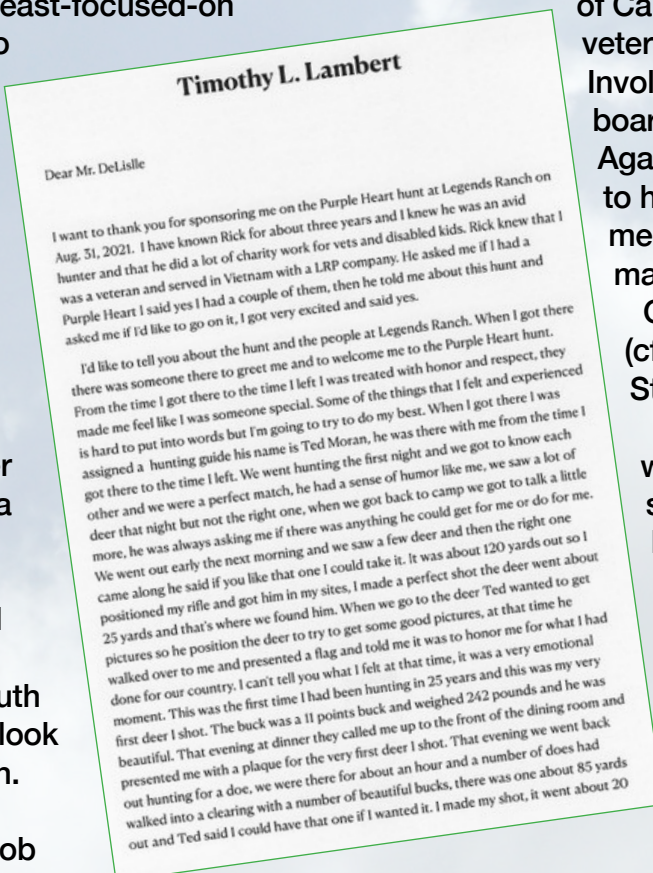

His memory is cherished by his wife Deborah of 45 years and his sons Mark and Matthew, his brother William Swain (wife Viola) and his wonderful nieces and nephews. He was a retired Ford worker of 32 years and an avid hunter. Rich was not only President of Southeast Michigan Bowhunters Chapter of Safari Club, but President

of Camp Liberty (for wounded veterans) and on SCI's Michigan Involvement Committee and the board of Michigan Sportsmen Against Hunger. He always tried to help others. In lieu of flowers, memorial contributions can be made to:

Cystic Fibrosis Foundation (cff.org), 2265 Livernois Rd., Ste 410, Troy, Mi. 48083

Our deepest sympathy is with Rich's family. He will be sorely missed by many. We look forward to meeting our friend again someday in the hallowed hunting grounds beyond. Richard was cremated and his family will select a day to Celebrate his Life later this year.

I will notify all of you when the day is selected.

GRETCHEN WHITMER
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF NATURAL RESOURCES
LANSING

DANIEL EICHINGER
DIRECTOR

October 20, 2021

SCI S.E. Michigan Bowhunters Chapter

Merle Shepard

cc. Ralph Cagle

The Department of Natural Resources Conservation Officers from Gaylord Michigan's District 3 would like to sincerely thank Safari Club International for the gracious donation of a whitetail deer decoy. This decoy will prove invaluable in assisting Conservation Officers in their protection of Michigan's whitetail deer herd.

In the past, Conservation Officers in Montmorency, Presque Isle and Alpena counties have had to rely on borrowed decoys from other districts and areas making decoy patrols very difficult during peak times.

The addition of this conservation tool will assist in curbing violations such as recreational trespass, shining, shooting from a motor vehicle and attempt to take whitetail deer without a valid license. The Department of Natural Resources and its officers appreciate your continued support for us and our efforts to create a fair and safe hunting opportunity for all.

With gratitude,

Conservation Officer Sidney Collins – Montmorency County

1st Annual Camp Grayling Disabled Veterans' Hunt (con't)

Continued from pg. 3

Feather. Many more stories were shared throughout the dinner. Just to let you know, another very nice 8-point buck was shot by **Terry Rockhold**.

The next morning, we met at 5:45am for coffee and donuts supplied by **SFC Jeremie Mead**. We were in the blind by 6:15am. We did not see any deer in the morning hunt.

Our pizza lunch was supplied by **Steve and Traci Nelson** and after lunch we again headed out to the blind. By 4:00pm a big spike came within 45 yards of us. He seemed preoccupied, and sure enough 3 does came into view. Finally, after watching the deer for quite some time, one came close enough for a 28-yard broadside shot. Bud made another great shot.

Mike Lawcock, another hunter who was guided by **Steve Nelson**, was able to shoot a doe by the end of the day. At the end of the hunt, 4 deer were harvested with the processing sponsored by **SCI SE Michigan Bowhunters Chapter** and **Halstead Processing**. Each hunter had to use either a bow or crossbow during the hunt. For the first ever hunt in 100 years at Camp Grayling, it was a total success for everyone involved.

Special thanks go to the sponsors of the event:

How to Take Proper Photos of Your Trophy

Take photos after canceling your tag, but before field dressing. Doing otherwise often results in a bloody mess that detracts from the photo.

Show the habitat you hunted. Find a suitable spot that is the essence of the terrain and habitat you hunted, but don't let the habitat obscure your photo.

Clean the animal. Clean the blood from the deer's mouth and nose if present. Remove dirt, leaves, blood and saliva from yourself, the hunter and the deer. Face any large exit wounds away from the camera. **No tongue.** Put the deer's tongue back in its mouth.

Antlers are not a gun rack. Don't rest your gun or bow on the

deer's antlers. It is disrespectful.

Be next to your deer – go low, no straddling – and smile.

Some hunters like to stand an arm's length behind the animal to make the antlers look bigger. Shoot photos from a low angle so you are even with or below the animal. Also, don't straddle big game – it is not a horse. Show respect by kneeling beside or behind the animal, **and smile.**

Think about folding the legs under. Some hunters like to prop up the deer as if it was in a bedded position. This can be done by folding a deer's legs underneath its body. If the back legs get too stiff, leave them straight out. But put the deer on its stomach so it's upright.

Note the angle of the sun. When setting up the photo, your best option is to position the sun over the shoulder of the photographer.

Shoot pics during the softest light. Take your photos early and late in the day. From late morning to late afternoon, avoid direct sunlight. Pose in full shade, if possible, and use a flash.

Use fill flash or tip the hat up. A fill flash will open the shadow cast on a hunter's face by his hat. If your camera doesn't have a flash, have the hunter tip up his hat. **Skip the tight focus.** Leave plenty of space around the subject when it comes to snapping photos of a big game animal. You can crop the image later. **Shoot lots of different pics.**
