President's Report

LOOKING FORWARD WITH THANKFULNESS

The last 2 years have been a challenge that I hope we never see again and I am sure you feel the same. I am really looking forward to seeing all of you at a face-to-face Chapter Fundraiser, which will be held on **March 19, 2022 at Laurel Manor, 39000 Schoolcraft, Livonia, Mi.** Online auctions are just not the same, thank God we were able to survive them. Thank you for supporting our online auctions and our Chapter.

All of **S.C.I.** stepped up to help our outfitters survive and to make **Safari Club International** better than before for all our members.

You will see in this month's **Broad Headlines** a story about the wish fishing trip with our good friend and donor for over 20 years **Captain Myron Gilbert (M&M Charters 517-592-3376).** Myron absolutely loves these youngsters, he and I have been doing these wish fishing trips for the past 16 years.

I recently took a Vietnam Veteran who had never shot a deer in his life up to the beautiful **Legends Ranch** where he shot a beautiful buck. Story and pictures will be in the next edition.

Nathan, Rich, and Carter with their Chapter caps.

My name is Robin Gilbert and my adopted son Nathan is the child of an only parent, (husband committed suicide in 2007 shortly after Nathan was adopted).

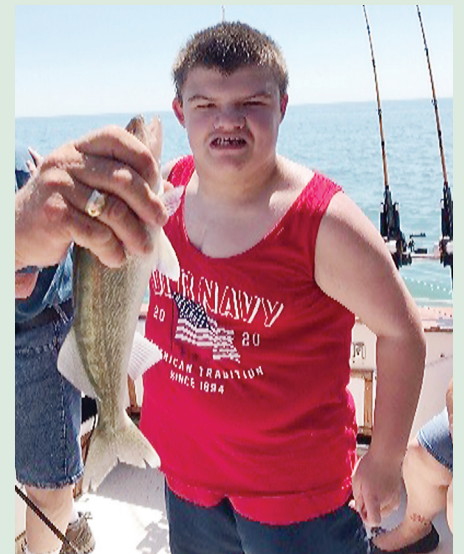

Nathan has been diagnosed with Autism, ADHD and has suffered brain damage due to (his biological Mom) giving him an infection during birth that caused his brain to swell. She also was a drug (cocaine) user while Nathan was in utero.

He was not expected to live past the age of 11 but, we are now planning his 15th birthday party.

When I was holding him in NICU at Motts Hospital, I was told he was going to be deaf and blind, probably never going to talk or

GREAT LAKES
BOWFISHING
CHAMPIONSHIP

SCI Southeast Michigan Bowhunters Chapter

Dear GLBC Supporter,

We have just about put the final touches on the **2020/2021 Great Lakes Bowfishing Championship**. The tournament was again a tremendous success as we raised in excess of \$8,000 for children's outdoor education.

We also provided sportsmen with another major archery event in Michigan. Our 2020/2021 tournament attracted 246 two-man teams from all over the Midwest.

This year we harvested 10,386 pounds of rough fish. Our tournament record is 287,781 pounds from 1996. Removing the vast amounts of "trash fish" from the bay over the 37- year history of the tournament is really improving the local sport fish and waterfowl habitat too.

Local businesses joined the "support" bandwagon again this year by providing the prize money for the largest fish honors. All 39 businesses displayed large, highly-visible "We Support the 2020/2021 G.L.B.C." posters in their store windows for a couple of weeks around the tournament. All the posters featured the logos of our sponsors.

Visit our website www.glbc-caseville.com. It lists your name, logo and link to your site and if you could add a link to our website that may help us reach new bowfishermen for future tournaments. You can also join our facebook page for updates and pictures.

We had local radio station WLEW broadcasting all day Saturday from the weigh-in site. They, too, publicized the names of our sponsors.

The great success and positive impact of this event is all made possible because of your generous sponsorship. Your support is greatly appreciated by the shooters, campers, local businesses and, of course, our staff. We thank you from the bottom of our hearts.

We hope we can count on your support again. If so, please let us know any time before October 1st so we can begin work on our biggest and best event yet.

Again, thank you so much for your support this year. We all hope you can join us again at next year's G.L.B.C.

Sincerely,

Colleen Easterbrook
Asst. Director

Gracious Sponsor,

Once in a lifetime. When people speak about once in a lifetime experiences, you know something amazing happened in order for the person to reference that phrase. Well, the American Wilderness Leadership School was a "once in a lifetime" experience for me. AWLS changed me as an educator and person. Ever since I have arrived home, I have looked at the environment around me in a completely different way. I have thought about the ecology involved and how I can better help in conserving the place I can home. Conversations have begun with my family around the same topics as well. This once in a lifetime experience has turned into the driving force of how I think and what I talk about. Thankfully between now and the beginning of next school year, I can begin to wrap my mind around how I can bring these same thoughts and experiences into my classroom.

I cannot thank all of the countless people and organizations, including yourself, enough for this opportunity. AWLS went above and beyond all of my expectations. Two years ago, I was supposed to be a part of the AWLS experience in June 2019, actually making it to Wyoming for about 24 hours before getting word that my grandfather had passed away. This meant I needed to make a quick trip home to be with my family. The AWLS team made my family's emergency their top priority. Anything I needed they were right there eager to help, all while continuing the program for the other participants. Todd Roggenkamp woke up at 3:00am to take me to the airport. I truly do not think most programs would do this, and for that I feel forever grateful. Being that I only had a short time in my first AWLS experience, I asked if there was a possibility I could attend a full session in the future. The Southeast Michigan Bowhunters Association accepted my request, and I was able to attend my session in June 2021. The SEMBA made my dream to attend AWLS possible. I can never thank them enough for this gift of growth for my career.

Thank you from the bottom of my heart for your efforts and sponsorship towards the American Wilderness Leadership School. Your actions are changing the lives of teachers, which ultimately are changing the lives of students across America.

Yours in Education,

Kristina Kaltz
Third Grade Teacher - New Haven, Michigan

walk.

He looked at me and his eyes said, "Watch me prove them wrong". Years and years of hard work, multiple therapies (sometimes every day of the week) and his strong will, have proved his doctors wrong.

He still has a long road to go but, we are both happy for the roads we have already traveled. Nathan and Carter still continue to talk about their fishing trip.

Neither boy has let the ball caps your chapter gave them for their fishing trip, out of their sight! Rich DeLisle and your Chapter made two young boys very happy!

Captain Myron of M&M Charters, could not have been kinder and his constant smile made everyone feel at home.

Thanks so much to all of you!
