Our board members have been hard at work making our return to a live auction and a social fundraiser exciting and the best fundraiser ever. Kevin Mulkeran, Kurt Bernas and my-self attended the SCI International Fundraiser in Vegas this past January and we picked up many new donations for our March 2022 live fundraiser.

Our fundraiser flyer will be found in this newsletter use the information to order your tables and/or tickets right away, we expect brisk sales this year! We again we be holding our fundraiser at the beautiful Laurel Manor, 39000 Schoolcraft Road, Livonia Michigan, 48150 just off I-275 and I-96.

Let's enjoy exciting nights out with our families and friends for both the Outfitters Party Friday and Live Banquet Saturday. The Friday night Outfitters Party is free with your tickets to Saturday's Live Banquet. The Outfitters Party this year will have no auction or other distractions so, we can interact with our outfitters and donors. See you at our Fundraiser!

Monroe's Holy Ghost Lutheran School... PROGRAM FOR NATIONAL ARCHERY IN THE SCHOOL has finally begun. *And We Helped!*

Hi Mr. Cagle,

It's been awhile since I've reached out to you. I've gone through a lot of life transition lately, including becoming a stay-at-home mom instead of teaching and having a second child in December.

Anyway, Southeast Michigan Bowhunters SCI chapter agreed to sponsor the school I was working at (Holy Ghost Lutheran in Monroe) to start a National Archery in the Schools Program there.

Well, after almost 2 years of COVID craziness and DNR spending freezes, we finally

were able to get our equipment over the summer. In the fall, I went back to help teach the NASP program to the 3rd-8th graders during P.E. class. We also had three other teachers become certified NASP instructors over the summer as well.

The kids loved the program! Thank you for allowing us to implement it! One girl even went out and bought her own Genesis bow because she wanted to learn more about archery and take it beyond school time. (I believe she is now doing Shooting Sports

We took some photos of the kids with their new equipment, and they wrote you a couple thank you notes. I've seen some things of this type in your SCI newsletters, so I was wondering if you'd like me to scan them and send them digitally to your email so you can include it? I can do a little write-up too, if you'd like.

Again, thanks so much for sponsoring our school! Sorry it took me so long to say thank you!

Newspaper Article Format

A typical newspaper article contains five (5) parts:

Headline: This is a short, attention-getting statement about the event.

Byline: This tells who wrote the story.

Lead paragraph: This has ALL of the who, what, when, where, why and how in it. A writer must find the answers to these questions and write them into the opening sentence(s) of the article.

Explanation: After the lead paragraph has been written, the writer must decide what other facts or details the reader might want to know. The writer must make sure that he/she has enough information to answer any important questions a reader might have after reading the headline and the lead paragraph. This section can also include direct quotes from witnesses or bystanders.

Additional Information: This information is the least important. Thus, if the news article is too long for the space it needs to fill, it can be shortened without rewriting any other part. This part can include information about a similar event.
