President's Report

Adam Griffin *President*

It is both an honor and a privilege to introduce myself as your new Chapter President. My name is Adam Griffin, and I am truly grateful for the opportunity to serve this outstanding organization. I look forward to working alongside each of you as we continue to strengthen our chapter and build an even brighter future together.

For those who may not know me, I have been actively involved in conservation for more than 30 years. Throughout that time, I have been passionate about protecting our wildlife, preserving our hunting heritage, and ensuring that future generations have the opportunity to experience the outdoors. I previously had the honor of serving as President of another SCI chapter, and I am excited to bring that experience, along with new ideas and fresh energy, to this chapter.

In addition to my conservation work, I have been a certified Michigan Hunter Education Instructor for more than 15 years and am currently serving as the Genesee County Hunter Education Coordinator. One of my greatest passions has always been teaching others and helping introduce new hunters and outdoor enthusiasts to our traditions in a safe, ethical, and responsible manner.

Professionally, I have spent the past 25 years in my career while also operating a farm. Those experiences have taught me the importance of hard work, commitment, and surrounding yourself with the right people. No successful endeavor is built by one person alone—it takes a dedicated team

Our Chapter was one of many organizations that donated to B4K to make these trips possible!

Good Morning B4K Staff,

Lilliana Webster is from Midland, Michigan. On their return, her (Mom) Nicole wrote: "First and foremost, thank you B4K from our entire family".

This trip was so much more than just an average family vacation. Spending time together without having to worry about hospital trips, doctors, round-the-clock nursing care and just watching our precious daughter be your average nine year old child.

Addi has done nothing but talk about what a great time she had on this trip. From the wonderful vacation house, we stayed. The pool and of course, seeing and interacting with the dolphins!

We cannot thank you enough for this incredible experience for Lilliana. The time at Discovery Cove was truly, life changing. Being able to see the dolphins up close and to actually swim with them was something!

The staff went above and beyond, to make us feel comfortable and even gave us one-on-one assistance for Lilliana when needed, which helped tremendously.

Lilliana was absolutely on cloud nine. The entire trip was truly unforgettable. This adventure was filled with smiles, laughter and memories that we will cherish forever.

Thank you for everything you provided.

This was truly a once in a lifetime experience, and we are so grateful.

Again, we want to thank Benefit4Kids for making this trip possible for Lilliana!

President's Report

Continued on pg 4

working toward a common goal.

One belief has guided me throughout my life: knowledge is only as powerful as the action it inspires. Knowledge that is never shared, applied, or passed on remains dormant. But when people come together with a common purpose, that knowledge becomes the foundation for real progress. I believe our chapter has a tremendous opportunity to bring together our experience, passion, and resources to make a meaningful impact.

I am fortunate to have an outstanding leadership team beside me, and I am excited to work alongside them, our dedicated volunteers, and every member of our SCI family. I firmly believe that our greatest strength is found in the people who are willing to step forward, serve, and make a difference.

I would also like to extend my sincere appreciation to our outgoing President, Steve Tunison, for his exceptional leadership, dedication, and countless hours of service to our chapter. Steve has set the bar extremely high, and we are all grateful for the strong foundation he has built. His commitment has positioned our chapter for continued success, and I thank him for everything he has done on behalf of our members.

I am excited about what lies ahead and confident that, together, we can continue to grow, educate, conserve, and make a meaningful difference. Thank you for your trust, your support, and your commitment to our mission. I look forward to meeting more of you throughout the coming year as we work together to strengthen our chapter, support one another, and leave a lasting legacy for future generations.

As your President, I encourage each of you to share your ideas, lend your talents, and become involved. Our chapter is strongest when every member has a voice and a willingness to contribute. I welcome your thoughts, your feedback, and your passion for conservation. Together, we can build on the strong foundation that has been laid and continue making a positive difference for our members, our communities, and the future of conservation.

"Conservation isn't just about preserving wildlife—it's about giving future generations the knowledge to value it, the opportunity to experience it, and the inspiration to become its next generation of stewards."

Thank you,

Adam Griffin
President

SCI Southeast Michigan Bow Hunters Chapter

Hello

Hudson and Cole Magnus are brothers. They both qualified for a wish and they jointly chose to swim with the dolphins. Hudson suffers from Crohn's disease and Eosinophilic esophagitis and Cole suffers from acute lymphoblastic leukemia. They are 9 and 6 years old and enjoyed a trip to Discovery Cove in Florida with their parents.

Mom, Brittany, wrote to us when they got back....

"Wow, what an incredible week that we got to have as a family! We can never thank you enough for gifting us this trip of a lifetime. It was so nice to relax and just to enjoy time together. The boys totally bonded over the experience and couldn't believe they got to ride on and swim with the dolphins!!! The condo was beautiful and we also enjoyed a peaceful pool day! We could not have had better weather!

Again, thank you so much for everything."

You help make these trips happen. Thank you!

"The Right To Hunt"

Pheasant Tower Shoot

**Saturday October 24,
2026**

8:30AM

Walkiewicz Pheasant Farm

Address: 6115 Chapin Road,
Deford, MI 48729
Phone: (989) 683-2749

Our Christmas Party a Family Affair

Here are some impressive yet easy-to-make recipes to satisfy your hunger and make the most of your time outdoors.

Breakfast Burrito: Start your day with this classic camp favorite. Cook scrambled eggs, bacon or sausage, and sautéed peppers and onions. Add some shredded cheese and salsa, then wrap it all up in a warm flour tortilla. It's the perfect grab-and-go meal for an early morning hunt.

Venison Chili: If you're lucky enough to bag a deer, venison chili is a mouth-watering meal. Brown some ground venison in a pot along with onions, garlic, and bell peppers. Add in canned tomatoes, beans, chili powder, cumin, and other spices to taste. Let it simmer for a few hours to let all those flavors meld together. Serve it over pre-made cornbread or with some warm tortilla chips.

Beef Stew: For a warm and comforting meal after a long day, try making a beef stew. Brown chunks of beef (or deer meat) in a heavy pot, then add in vegetables like potatoes, carrots, celery, and onions.

Pour in beef broth, a splash of red wine, and some Worcestershire sauce. Throw in some herbs like rosemary and thyme, then let it all simmer away until the meat is tender and the flavors have melded.

Here are a few more scrumptious ideas to keep your hunting camp well-fed:

Casserole: Combine ingredients like sausage, eggs, cheese, and bread in a slow cooker overnight for a tasty breakfast casserole.

Sloppy Joes: Brown ground beef or venison and mix in a tangy tomato sauce for some classic American comfort food. Serve it on a hamburger bun with some pickles and onions.

Enchiladas: Fill tortillas with seasoned meat, beans, and cheese, roll them up, and top with a spicy enchilada sauce. Bake until bubbly and golden.
